- 📍 Tempe, Arizona

## PROFILE

Having a career consisting of creativity and problem solving drew me to the field of industrial design at a young age. I moved from Missouri to Arizona to pursue this passion. After various endeavours within the design field, I consistently found the most success and inspiration with design for user experience. To expand my knowledge, I earned a certificate for Ui/Ux design.

## EDUCATION

**Arizona State University** Tempe, AZ  
**Bachelors of Science**  
Industrial Design, Business  
**Certificate** UX/UI Designer  
**Summa Cum Laude** GPA: 3.8  
Dean's List (2018-2022)  
**Alpha Chi Omega Sorority** (2018-2021)

## SKILLS

- User Experience Design
- User Interface Design
- Prototyping
- Market and User Research
- Communication and Writing Skills
- Adobe CS (Illustrator/Photoshop)
- Graphic Design
- Business Management, Entrepreneurship
- CAD Design, Rendering (Solidworks, Keyshot)

## EXPERIENCE

- **Furniture CAD Designer** (2021-2023) Tempe, AZ  
Reference: Matthew Beals (480) 627-9989  
Converted technical sketches of outdoor furniture concepts into 3D Cad Models to be fabricated in metal forms. Learned to take ideas and sketches into real forms from design concepts and historical well-known furniture design. Using Solidworks I drafted solutions from sketches that were sent to production in real form.
- **Graphic Designer, Marketing** (2020-2021) Tempe, AZ  
CampusTees  
Designed the logo and graphics for a Sorority/Fraternity apparel company, and managed the Etsy. Set up marketing and SEO techniques along with communicating with customers to provide support and assistance.
- **CEO Small Business** (2020-) St. Louis, MO  
DripdyedbyMalina  
I created a successful 5 star clothing business after finding a unique way to dye apparel. Through developing designs of my own logo/-graphics and learning SEO & marketing tactics to maximise profits, I retained customers and created a memorable user experience.
- **Hospitality** (2022-2023) Tempe, AZ  
Graduate Hotels  
Working within this industry for 5 years has taught me interpersonal skills, managing conflict, handling multiple tasks at once, and working with others in any environment.
